1. Ensuring Safe and Reliable Operations

We shall take the necessary measures to ensure that products and services offered by us or our third party vendors are dependable, reliable and secure. Our computer and network systems will adopt high-end access and authentication protocols and employ firewalls at strategic points to protect, secure and safeguard the integrity and privacy of your transactions.

2. Safeguarding the Privacy of Your Information

We recognise the importance of public trust and confidence in our products and services. It is our policy to respect, maintain, protect and safeguard the privacy of your personal, company, banking and financial information as well as any other information in respect of or pertaining to the same which you have disclosed, shared, exchanged or otherwise provided to us over www.cimb.com.my/en/business/digital-banking/bizchannel-cimb.html ("Information").

Pursuant to our objectives above, we have set out certain principles regulating the privacy of your Information, all of which are specified and elaborated upon in our PRIVACY POLICY, which may be read at www.cimbbank.com.my

3. Providing Reliable and Quality Services

To ensure that customer receive only reliable and high-quality services, we deploy robust hardware, equipment and software, and engage only qualified and trained personnel. We ensure that our business methodologies comply with regulations and guidelines set by regulators including Bank Negara Malaysia.

4. Transparency of Products and Services

We shall be transparent in our dealings with customer and we do not engage in conduct which is deceptive, fraudulent or otherwise misleading. We shall endeavour to ensure that representations, statements and assurances from us shall be accurate and true.

We will fully disclose all the relevant terms and conditions relating to the products and services offered.

5. Providing Prompt Response and Action for Customer Enquiries and Complaints

Customer convenience and satisfaction is of paramount importance and we welcome your suggestions, comments, feedback, enquiries, or complaints which you may have in respect of our products or services. We will ensure that relevant steps are taken to resolve your complaints promptly. We welcome your enquiries and feedback which we view as opportunities for us to better understand and manage your requirements.
