

Frequently Asked Questions

What is CIMB Debit Mastercard? What are its benefits?

The CIMB Debit Mastercard gives you quick, easy and secured access to your current/savings account-i whether you are in Malaysia or overseas. Use your Shariah-compliant CIMB Debit Mastercard for:

- Shariah-compliant shopping locally and abroad, online, over the phone and by mail order.
- Perform cash withdrawals at millions of ATMs that accept Mastercard.
- Pay bills and authorise payments to be made automatically from your CIMB Debit Mastercard directly to billers for your utilities, takaful contributions, gym memberships or phone bills.
- When you shop with your Debit Mastercard, your total spent amount will be deducted from the funds in your account.

What is my daily purchase limit?

The CIMB Debit Mastercard is enabled with a default daily purchase limit of RM10,000 (Mass*) and RM20,000 (Prime/Preferred). You may change this limit in multiples of RM1,000 at any CIMB ATMs.

*Note: Mass segment is inclusive of CIMB Debit Mastercard issued to YOUth accountholders aged 18 – 23 years.

The default daily purchase limit for YOUth accountholders aged 12-17 years is RM200.

What security features does the CIMB Debit Mastercard possess?

- Secure Chip and PIN technology protects your account details and money.
- SMS alerts are sent to your mobile phone at no extra cost to you to the registered mobile phone number with the Bank whenever a purchases amount of at least RM1,000 is made on your CIMB Debit Mastercard.
- One-Time Password (OTP) Authentication Code is sent via SMS to verify purchases made online at participating 3D Secure merchants.

How can I apply for CIMB Debit Mastercard?

Simply visit any CIMB Islamic bank branch near to you. You are required to maintain an Islamic savings/current account with us, which will be linked to your CIMB Debit Mastercard.

If you are an existing CIMB Islamic savings / current accountholder holding a CIMB Islamic ATM / BankCard, you are required to upgrade to the CIMB Debit Mastercard at no charge.

You will be issued the CIMB Debit Mastercard instantly upon application.

Can the CIMB Debit Mastercard be used overseas?

Yes. However before using your CIMB Debit Mastercard overseas for shopping or ATM withdrawal, please activate the overseas usage function via ATM, any one of our branches or Consumer Contact Centre.

You will be using the same 6-digit PIN for your overseas usage. For those countries that have not yet migrated to PIN will still require you to sign for verification in order to use your CIMB Debit Mastercard for payment.

Although the standard PIN in Malaysia is 6 digits, the standard in many overseas markets is 4-digit PIN. It is possible that if you travel overseas, you may encounter a problem using your CIMB Debit Mastercard at an overseas terminal if the terminal restricts PIN entry to 4-digits. If you encounter a terminal that restricts the entry of a PIN to 4 digits, then you have two choices:

- ask the retailer to bypass the PIN entry and sign; or
- if this is not possible, or the retailer refuses to allow signature, then you must opt for a different payment method.

What are the instances where holding-of-funds transaction is done to my account?

A pre-authorisation amount of RM200 is charged for petrol purchases made at the outdoor pump. The pre-authorisation amount will then be reversed and the actual amount will be charged upon settlement by the merchant within 3 days. You may opt to pay at the cashier with the CIMB Debit Mastercard to avoid the pre-authorisation holding.

At the local PETRONAS outdoor pump:

- there will be no pre-authorisation amount charged; and
- you are required to key in your 6-digit PIN at the terminal.

Hotels charge a pre-authorisation amount upon check-in, depending on the duration of stay. During check-out, the pre-authorization amount will be reversed and the actual amount will be charged.

Why is my purchase declined?

- There is insufficient funds in your Islamic savings/current account that is linked to the CIMB Debit Mastercard. You will need to top up funds in your account-i.
- There is insufficient funds due to pre-authorisation holding amount at petrol station or hotels. You will need to top up funds in your account-i.
- You made a Non-Shariah compliant purchase such as liquor, gambling, dating/matchmaking services or weaponry.
- Your purchase amount exceeds your chosen daily spending limit. To find out how to change your limit. You can opt to change your spending limit either via [ATM](#) or [CIMB Clicks](#).

Can I use my CIMB Debit Mastercard for Contactless retail payment / transaction?

Your CIMB Debit Mastercard is enabled with contactless feature. Whenever you see the Mastercard or MyDebit contactless logo at the Retailer or Merchant's Point of Sales terminals, you can tap your card on the contactless reader. For retail transactions below RM250, your PIN or signature is not required.

Is the Contactless payment / transaction method on my CIMB Debit Mastercard safe?

Safeguards are in place to prevent unauthorised use of the intercepted card security details. Each contactless transaction includes a unique code that changes with each purchase, which can only be used once and can only be generated by the chip in your original contactless card, hence, this prevents a counterfeit card from being produced from the intercepted card security details.

How can I use my CIMB Debit Mastercard for Contactless retail payment / transaction?

- The Retailer or Merchant's Point of Sales terminals must be able to accept Mastercard or MyDebit contactless payment.
- Your CIMB Debit Mastercard has to be waved within 4cm or tapped at the contactless card reader and the Merchant must have first entered the transaction amount for you to approve.
- Even if your CIMB Debit Mastercard is accidentally tapped more than once, you will only get billed once for the transaction.
- If you hold your card up to a reader and you have any other contactless payment cards nearby, the reader might detect more than one card and will not complete the payment. You will need to perform the transaction again. Please ensure you only use the intended card from your wallet and have it tapped at the reader.

Can I reduce the Contactless transaction total daily limit on my CIMB Debit Mastercard?

You can reduce the Contactless transaction total daily limit on your CIMB Debit Mastercard via any of our ATMs.

Can I disable the Contactless payment / transaction method on my CIMB Debit Mastercard?

If you wish to disable the Contactless payment / transaction method on your CIMB Debit Mastercard, you can disable it at any of our ATMs or you can call us at +603 6204 7788 (local or overseas).

What should I do if my CIMB Debit Mastercard is lost or stolen?
